Kykuit, The Rockefeller Estate

A majestic paradise with sweeping river views

Wednesday, October 9, 2019

Kykuit was home to four generations of the Rockefeller family, beginning with the philanthropist John D. Rockefeller, founder of Standard Oil. His business acumen made him, in his day, the richest man in America. Now a historic site of the National Trust for Historic Preservation, this extraordinary landmark has been continuously and meticulously maintained for more than 100 years.

Our visit will include the main floor of the house, art galleries, Inner Garden, golf room, and Coach Barn. The tour is 2 1/4 hours, including the shuttle bus ride from the Visitors Center. After the tour, we will enjoy lunch at the Greenhouse Café in the Visitors Center before returning by train to New York City.

Cost: \$20 per person
