

In response to your requests,

The Hospitality Committee for United Nations Delegations

is pleased to invite you to a virtual

Orchids Workshop

on

Tuesday, October 6, 2020

3:30 P.M.

Orchids and how to care for them have been the subject of questions in previous plant talks, so we are dedicating an entire program just to these beautiful but notoriously tricky plants. Join us on the first Tuesday in October, when **Dina Abaza of Jordan**, who holds a Masters degree in plant biotechnology, will share her knowledge of orchids and teach us the best ways to keep them healthy and happy. There will be time at the end for questions about any plant or horticulture topic attendees would like to address.

To register, email HCUND at hcund@un.org
